

Portable/ Heli Rig Equipment

Portable Rotary Drill Equipment

MP100: Geotec Drills

Drilling Systems:

Auger System
Overburden Casing Advance System
Air Rotary
Down Hole Hammer
Coring

Drilling Features:

Rotary
Man Portable
Heli Portable

Benefits:

Portability Excellent for remote area access
Size and ease of set up excellent for indoor limited access drilling
Various types of drilling systems increase units versatility

Computalog Portable Heli Rig

Computalog Portable Heli Rig

Drilling Systems:

Auger System
Air Rotary
Down Hole Hammer
Coring

Drilling Features:

Rotary
Angle Drilling
Heli Portable

Benefits:

Portability Excellent for remote area access
Used extensively in limited access, angle drilling locations
